

Expense Reports

Casey House is dedicated to strengthening its accountability and transparency to our stakeholders and to the HIV/AIDS community.

As per the *Broader Public Sector Accountability Act, 2010* (the Act), every Ontario hospital, in compliance with the directives issued by the Minister of Health and Long-Term Care, must publicly post required information about expense claims in accordance with the government's travel, meal and hospitality directives (Subsection 8.2). These directives apply to the Chief Executive Officer (CEO) and to every member of the senior management team of Casey House who reports directly to the CEO. These directives also apply to every member of the Board of Directors; however, members of the Casey House Board of Directors do not claim expenses with Casey House.
