

Seeking applicants to join Casey House's Board of Directors

Casey House is unlike any other hospital. We are a specialty hospital in Toronto providing ground-breaking care to people living with and at risk of HIV. Together with our clients, staff, peers and volunteers, we create an inclusive environment where everyone feels safe. We offer a growing mix of inpatient, outpatient and community-based services that meet clients where they are in their individual journeys. Building on a legacy of advocacy and social justice, we strive to actively dismantle barriers to care and safe living. We provide a community and sense of belonging that connects people to care. The humanity of each client is at the heart of everything we do.

The Board of Directors is currently recruiting volunteers to fill a limited number of positions on the board. We strive to achieve a Board composition that is reflective of the clients we serve; therefore, we are seeking people living with HIV, women, trans people, and those from diverse racial and cultural backgrounds who are health care professionals, nurses or physicians, as well as those in the fields of information technology and fundraising.

The ideal candidate is committed to Casey House's purpose, values and strategic directions, and has experience or knowledge in corporate or not-for-profit board governance.

Submit resume and covering letter by March 24, 2024 to:

Shannon Scarborough
Casey House
119 Isabella Street
Toronto, ON M4Y 1P2
or sscarborough@caseyhouse.ca
